

# COMMERCIAL GREENHOUSES

*The most complete greenhouse for the most competitive price on the market*

This A-Frame design is made for high winds and snow loads typical to northern areas. Cross connections attach purlins to bows eliminating drilling. Construction is quick and easy!

## Features

- Economical and expandable
- Quick and easy assembly
- Efficient design provides 2,688 sq.ft. of growing space in a 28' x 96' greenhouse, cooled with only 2 – 36" exhaust fans
- Flexible design accommodates up to 6" elevation changes
- Complete greenhouse or just the frame
- 4' or 5' bow spacing

## Specs

Widths: 30', 28', 24', 20', 16', 14'
